

Inox Wind gets order from Continuum WE

Inox Wind Limited, a subsidiary of Gujarat Fluorochemicals Limited, one of India's leading wind power solutions provider, has been awarded a 170MW order from Continuum Wind Energy, a Singapore based company, indirectly majority owned by Morgan Stanley Infrastructure Partners. The project is to be constructed in and around Ratlam and Mandsaur districts of Madhya Pradesh and it is one of the largest wind turbine orders in India for a single project.
