

## Inox Wind Ltd awarded 170 mega watt order

**LUCKNOW:** Inox Wind Limited, a subsidiary of Gujarat Fluorochemicals Limited has been awarded a 170mw order from Continuum Wind Energy, a Singapore based company, indirectly owned by Morgan Stanley Infrastructure Partners. The project is to be constructed in and around Ratlam and Mand-saur districts of Madhya Pradesh and it is one of the largest wind turbine orders in India for a single project. The order, valued in excess of ₹900 crore, is for 85 units of Inox Wind's newly launched 2MW wind turbine with 100 meter rotor diameter, a variant of its well established 2MW wind turbine platform. Inox shall also carry out the erection & commissioning as well as the operations & maintenance of the project.
