## GFL awarded 'Top Indian

Published on: April 2, 2010 - 01:10

More in: **Business**

PANAJI: Gujarat Fluorochemicals Limited (GFL), a part of the INOX Group of Companies, has recently been awarded the 'Top Indian Chemical Company' Award by Dun & Bradstreet (D&B).

GFL has a market capitalisation of about \$400 million and is rated AA-(stable) by CRISIL. GFL is amongst a few companies in the world producing PTFE, an extremely specialised engineering plastic. GFL's refrigerant plant exports refrigerants to more than 75 countries across the globe.
