Section E Principle - wise performance

Certain key principles to assess fulfilment of the requirement by the Company and a description of core elements under the principles as detailed in **Annexure II** of the referred SEBI circular are narrated below:

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

GFL has formulated a Code of Conduct (CoC) to ensure that the business of the Company is conducted in accordance with the highest standards of ethics and values, while complying with the applicable laws and regulations. The CoC encourages each and every Director and Officer of the Company to act in accordance with the highest standards of personal and professional integrity, honesty and ethical conduct while working at the Company's premises, at offsite locations, at the Company's sponsored business and social events, and / or at any other place where they represent the Company. Any instance of non-compliance of any of the provisions of the CoC is treated as a breach of ethical conduct and is viewed seriously by the Company. The Company also has a Whistle Blower Policy which is a mechanism to reinforce implementation of the Company's CoC which encourages each and every Director and officer of the Company to take positive actions which not only commensurate with the Company's belief but are also perceived to be so. This Policy provides all employees and Directors of the Company and its subsidiaries a mechanism to report improper acts and provides adequate safeguards against victimization.

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/ Contractors/NGOs /Others?

Yes, the policy relating to ethics, bribery and corruption covers the Company and its Subsidiary Companies (refer to para 1 a of Whistle Blower Policy for subsidiary companies).

2. How many stakeholder complaints have been received in the past Financial Year and what percent was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

During the Financial Year 2018-19, the Company had received 15 complaints from its investors related to non- receipt of dividend; shares etc. and all the 15 complaints were resolved.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

The Integrated Management Systems Policy for the Ranjitnagar plant and the Policies for Quality and Environment, Health & Safety for the Dahej plant are the Company's guiding documents for protection of environment and ensuring safety of its employees. These policies demonstrate the Company's commitment towards Improving its Environmental, Health and Safety performance in a continual manner.

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.
 - a. AHCl: The design of AHCl cylinders has incorporated safety measures that ensure no leakage occurs during transportation. Also, a special cage has been designed for the cylinders so that they do not get damaged in case of any accident.
 - b. AHF storage facility: As hydrogen fluoride is a health hazard, an automatic sprinkler system has been installed around AHF bullets to prevent it from spreading, in case of any leakage.
 - c. R-22: The R-22 production process is designed in such a way that it eliminates organic effluents by recycling them.

In addition to these, regular safety trainings are conducted for all the drivers. Also, there is an established procedure for pre-loading inspection of all containers, racks and vehicles used to transport the chemicals.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

- a. Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?

Atmospheric emission of Volatile Organic Components is being continuously monitored to be well within the limit specified GPCB.

- b. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

While GFL manufactures products that are not directly used by end consumers but are used as raw materials in the production of other goods, it makes continuous efforts to improve the environmental attributes of its products.

3. Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof in 50 words or so.

The Company has proper procedures in place for sustainable sourcing and procures more than 75% of inputs directly from the manufacturer. The Company continuously re-designs its activities to better manage the procurement process and works closely with its suppliers. To decrease the fuel consumption and emissions due to transportation, GFL is gradually shifting to 20-30 MT capacity vehicles from 10-16 MT ones. Also, the import consignments are now being received at nearer ports like Dahej and Hazira, instead of distant ones like Kandla and Mumbai.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes, at the Ranjitnagar plant, services are being procured from local producers/ contractors for construction of new projects. At the Dahej plant, the Company has taken a lead in helping a local vendor set up a drum manufacturing unit which supplies drums to various industrial plants in the area.

5. Does the company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

The Ranjitnagar plant is a zero effluent discharge plant where around 90% of the wastewater is recycled. This has been achieved by installation of Single Effect Evaporator (SEE) and Multiple Effect Evaporator (MEE). The plant also turns all of its canteen waste to compost, thereby reducing the burden on landfill sites. The Dahej plant has a well-developed Environment Management Plan (EMP) in place which mainly focusses on reduction, reuse and recycling of resources. This plant also has well defined targets for reduction of water usage and to achieve these targets, a water recycling plan has been implemented within each area in the plant.

Principle 3: Businesses should promote the well-being of all employees

The Company has an HR Operations Manual that provides guidance and policies for governing various aspects related to its employees. It includes guidelines on employee evaluation and performance management, training and development, employee/contractor grievance redressal and employee relationship management. It also includes guidelines on prevention, prohibition and redressal of sexual harassment of women at workplace.

1. Please indicate the Total number of employees.

Permanent Women Employees	Safety - 100 %; Skill Upgradation - 70 %
Casual/Temporary/Contractual Employees	Safety - 100 %; Skill Upgradation - 85%
Employees with Disabilities	Safety - 100 %; Skill Upgradation - 50%

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized

The Company has a Corporate Social Responsibility (CSR) Policy, which is guided by the philosophy of GFL and delineates its responsibility as a responsible corporate citizen. The CSR Policy of the Company lays down the guidelines and mechanism to undertake programmes for social welfare and sustainable development of the community at large. The objective of the Policy is to enhance value creation by the Company in the communities in which it operates, through its services, conduct and initiatives, so as to promote sustained growth for the society and community. The Company ensures that its business is conducted in an economically, socially and environmentally sustainable manner, while recognising the interests of all its stakeholders.

1. Has the company mapped its internal and external stakeholders? Yes/No

GFL takes into account the wellbeing of all individuals directly or indirectly associated with it, though a formal mapping of the internal and external stakeholders has not been conducted.

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?

While there has not been any formal identification of the disadvantaged stakeholders, the Company's primary welfare activities are focussed on children, women, elderly, the differently abled, farmers, and socially & economically backward groups in the communities in the areas surrounding the Company's operations.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof in 50 words or so.

Some of the initiatives undertaken by the Company include:

- Financial assistance to students from poor families for covering education related expenses.
- Honorary payment to government school teachers in the absence of sanctioned grant from the government.
- Support to development of social infrastructure in neighbouring villages in order to provide access to better education and health facilities to the local populace.
- Financial assistance to poor patients and provision of Mobile Medical Unit to the locals.

Principle 5: Businesses should respect and promote human rights

1. The HR Operations Manual of the Company contains detailed guidelines on protection of human rights and is committed to respect human rights of workforce, communities and those affected by the operations of the Company wherever the Company does its business including the Company's contractors and suppliers. Does the policy of the company on human rights cover only the company or extend to the Group/ Joint Ventures/ Suppliers/ Contractors/ NGOs/ Others?

The policy extends to Contract Labour, Vendors and all other stakeholders.

2. How many stakeholder complaints have been received in the past Financial Year and what percent was satisfactorily resolved by the management?

No stakeholder complaint has been received in the past Financial Year and none are pending as on 31st March 2019.

Principle 6: Business should respect, protect, and make efforts to restore the environment

The Integrated Management Systems Policy for the Ranjitnagar plant and the policies for Quality and Environment, Health & Safety for the Dahej plant are GFL's guiding documents for protection of the environment and ensuring safety of its employees. These policies demonstrate the Company's commitment towards Improving its Environmental, Health and Safety performance in a continual manner.

1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

While the policy also only covers its own operations, the Company, encourages its suppliers to adopt environment friendly practices in their operations.

2. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

In its effort to do its bit towards fighting climate change, GFL has adopted a number of initiatives to increase its energy efficiency, thereby reducing its carbon emissions.

3. Does the company identify and assess potential environmental risks? Y/N

Yes, the Dahej plant regularly conducts risk assessment to identify risks related to environment and safety. To this end, the plant has a well-defined Management of Change (MOC) procedure and HIRA & HAZOP processes. These procedures ensure that environmental risks are identified and addressed on a timely basis.

4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

No, the Company currently does not have any project related to Clean Development Mechanism.

5. Has the company undertaken any other initiatives on - clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

The Company has undertaken a number of energy efficiency initiatives like installation of variable frequency drives and LEDs, which decrease electricity consumption. At the Ranjitnagar plant, a co-generation plant has been installed to increase efficiency of the power plant to about 80%, by the usage of waste heat from exhaust gas and jacket water. This plant has also installed a groundwater recharge system that includes filter modules for removing suspended solids and total dissolved solids from the water. This system enables the replenishment of almost 450 m3 water each year. Besides these initiatives, the Company's Dahej plant procures renewable power generated by wind turbines.

6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the Financial Year being reported?

Yes, the Emissions/Waste generated by the company are within the permissible limits given by CPCB/SPCB for FY 2018-19.
